MCOB Named an "A" School by Arizona Department of Education

October 10, 2018

Dear Parent/Guardian,

It is with great pleasure that the following news be shared with you. The Mary C. O'Brien Elementary School (MCOB) was awarded an A grade for the 2017 – 2018 school year from the Arizona Department of Education!

The Arizona Department of Education created an A – F Letter Grade System to provide clear, easy-to understand information to parents so that they could base their educational decisions on the best information available about the overall academic performance of school and district.

The A grade represents an excellent level of performance by MCOB. The success of our school can be contributed to the support of the parents, the efforts of the staff, and students attending MCOB.

Congratulations!

Sincerely,

Lisa Raymond, Principal
